Re: Withdrawal From Representation
Merchant & Gould Reference No.: 13437.000000WD

Dear Mr. Villaume:

In a previous letter, we had advised you that we filed a continuation application to preserve your patent rights and provide you with time to find alternative counsel. As part of our withdrawal process, we have requested from the United States Patent and Trademark Office permission to withdraw as attorney of record for this continuation application as well. Enclosed please find copies of these requests. This filing with the United States Patent and Trademark Office will allow us to formally withdraw from representation. Once approval is received by Merchant & Gould, we will no longer be held responsible for your legal matters.

Also, I am transferring to you at this time the original file for the continuation application and have not retained a copy. This file will be removed from our docket system, and once the Patent & Trademark Office has granted the withdrawal, we understand that you will assume responsibility for all future docket dates. Enclosed is a current Docket Report detailing all outstanding due dates for the next one year period. We have removed these deadlines from our docket and annuity system. You are advised to immediately seek new counsel so as not to jeopardize your intellectual property portfolio. Failure to respond as required by the USPTO to future docket dates could result in the loss of your intellectual property rights.
